

2015
**ANNUAL
REPORT**

CHAIRMAN'S REPORT 2015

During the past year, Excellence in Sport South Island progressed the planned divestment of the Southland Academy. This took place in early 2015 with Southland forming the "Talent Development Southland Charitable Trust". The distribution of funds from ESSi to Southland then left us with our renamed organisation, the "Otago Academy of Sport Incorporated". Both organisations aim to continue the valuable contributions to our talented young athletes to ensure they are well prepared for the high performance environment to which they aspire.

The Otago Academy, the Motorsport Academy and the Central Otago Academy have run very successfully along with the Otago and Central Otago 'Pathway to Podium' programmes. Sport Otago holds the contracts with Sport NZ for these programmes and sub-contracts us to provide the services, through a talented pool of service providers.

In October 2014 a very popular and successful Coaches conference was held in Dunedin with 107 participants. The results from the post conference survey indicated the excellent value participants received from the event. This event was underwritten by the Academy South Island Education Trust and a similar conference will be held again in the future.

In all areas of operation the Academy appears to be delivering services much appreciated by the athletes, their parents, coaches and supporters and it is very pleasing to be acknowledged as contributing to their successes.

ACADEMY PROGRAMMES

The Otago Academy continues to perform successfully with great results both nationally and internationally. The excellent work of Raylene Bates, Natalie Fraser and Stacey Peeters continues to contribute to this success and our thanks are extended to them for their work. The graduation ceremonies for the Academies are well presented with the athletes given the opportunity to display their public speaking and cooking skills!

MOTORSPORT ACADEMY

The NZ Motorsport Academy Camp number 12 was held during the week of 29th June – 5th July. A huge success. Congratulations to Michael Young for taking out overall honours as top

graduate for 2015. Bradley Lathrope and Nicole Summerfield, picked up second and third placing respectively in what was a very tight decision. Team Zen Kai won the team award.

Since its inception in 2004, 99 competitors, made up of 66 race drivers, 27 rally competitors and 5 KartSport NZ, 1 drifter and 2 co-drivers in 2015, (a first for the Academy) have been through the programme. Feedback from drivers and the Motorsport New Zealand Scholarship Trust was again very positive and we look forward to hosting the Academy Camp No 13 in 2016.

STAFF

Raylene Bates has been a stalwart of the organisation(s), coordinating all the activities over the years. Her enthusiasm is infectious and much appreciated by the Board and the service providers. Raylene has indicated that her role will change later in this year but I am sure she will not be moving too far away from the Academy and its athletes.

BOARD

It is with great sadness and regret that we record the passing of Mike Piper in February 2015. Mike was an inaugural Board member in 2000, has served the organisation since then and was Chairman at the time of his passing, following a long battle with skin cancer. Mike was well respected by his fellow Board members and generally all those he came into contact with. A tribute to Mike follows in this report.

The Board is also sorry to accept the resignation of Dame Lois Muir, the inaugural Chair of the Board in 2000. Well known and respected throughout

New Zealand sporting circles, Lois will be missed for her incisive opinions and her much valued enthusiasm and loyalty. We thank Lois for her contributions and wish her well.

Thanks are due to all the Board members for their valuable contributions and time contributed to the Academy over the past year.

MIKE PIPER TRIBUTE

It is noted with deep sadness the passing of founding Board member and Chair of Excellence in Sport South Island (now Otago Academy of Sport), Mike Piper in January 2015.

Mike had suffered from skin cancer for some time and fought to the bitter end. His passion and contribution to the entity (both NZ Academy of Sport South Island then latterly Excellence in Sport South Island) and sport in general was enormous. He looked outside the square, it was his vision to have a mobile unit and then when we had one, he wanted one in every centre in the South Island. His guidance with the financial side of the entity provided the necessary checks and balances. But it was his genuine passion for sport that Mike will be remembered for. He fought hard for the development of the Stadium in Invercargill, fought to ensure that the regions did not suffer through centralisation of sports and programmes and took an interest in every athlete that represented the Academy and South Island provinces. Athletics especially was where his heart lay. As a distinguished national and international athlete himself, he was a legend amongst the athletics fraternity. The younger athletes may not have known who he was but he certainly knew who they were. Even at the 2014 NZ Track & Field Championships, Mike sat on the bank at Newtown Park in the freezing wind, feeling quite unwell, watching the Southland long jumpers prove that they were a force to be reckoned with. Likewise he attended every session at the South Island Coaches Conference held in October 2014, fully participating, taking an interest and sharing knowledge. Again at a time when he was battling his illness.

The 2013 Southland administrator of the year was a life member of Athletics Southland and the Invercargill athletics club, a trustee of the Southland Cycling Trust and the Southland Amateur Sports Trust, as well as chairman of the Excellence in Sport (South Island) concept, former chairman of Stadium Southland and an original trustee of Sport Southland.

Mike will be deeply missed, not just as an expert in the business and sporting world but as a dear friend also. Rest in peace Mike.

*Otago Academy of Sport donated the Mike Piper Memorial Trophy which was designed and carved from Oamaru stone by local carver John Burke. This was presented at the Southland Sports Awards on 26th June 2015 by Joy Piper. It was fitting that local Southland athlete **Jordan Rackham** (pictured below) was the inaugural winner. The criteria for the trophy was **INTEGRITY, COMMITMENT** and **EXCELLENCE**. These three words being a summary of Mikes contribution to the Academy and sporting community in general.*

ACADEMY SOUTHLAND PROGRAMME UPDATE

The inaugural talent development programme of Academy Southland ceased under ESSI governance as at 31 January 2015. The programme was transferred to Talent Development Southland as the governing body for Academy Southland, the Southland Performance Coach Programme and the Pathway to Podium Southland Hub.

The board members for Talent Development Southland are Keith Brown (Chairperson), Rex Capil, Jane Muir, Murray Brown, Pete Thomson and Brendon McDermott.

The programme continued to receive valuable support from the ILT Foundation, the Community Trust of Southland and Sport Southland during 2014 and 2015. The longstanding relationship and investment of these stakeholders has meant that the Southland programme has been the most successful talent development programme and will continue to blossom in the years to come.

The 2015 ILT Southland Sports Awards highlighted the value Academy Southland adds to the athletes in the programme. Of the seven finalists in the Senior Sports person category, five were previous Academy Southland athletes. Pieter Bulling was named as the ILT Senior Sports person of the year, and the fact he is still riding a bike is testament to the hard work done by Jason McKenzie in Pieter's early days. The Junior Sports person of the year had four current or ex- Academy athletes and Kristen Froude was named as the Vodafone Junior Sports person.

A new award was presented in this year's awards acknowledging the hard work in talent development done by Mike Piper who passed away earlier in the year. Mike's legacy will be recognised every year by the Mike Piper Trophy for integrity, commitment and excellence to an Academy Southland athlete who has demonstrated these traits both in and out of the sporting arena. Jordan Rackham (athletics) received the inaugural award.

HIGHLIGHTS

Mark Bell (Performance Coach) assisted Paul Henare in coaching the Southland Sharks to becoming the 2016 NBL champions.

OTAGO PATHWAY TO PODIUM PROGRAMME

The nationwide Pathway to Podium programme was launched in 2014 to help emerging athletes and coaches to be better prepared for the demands of a life in high performance sport. The objective of the programme is to provide the New Zealand high performance system with an increased number of athletes who understand and are better prepared for the demands of a high performance environment and who have the potential to win on the world stage.

Otago is one of the larger hubs around the country with 35 athletes across year 1 and year 2 competing in snow sports, rowing, para-swimming, bike, women's rugby sevens, athletics and netball. 17 of these athletes are based in and around Wanaka with the remaining 18 based in Dunedin. Due to the large number of athletes based in Central Otago the workshops for the programme are delivered in both Wanaka and Dunedin. The programme has got off to a fantastic start for 2015 with great engagement from the athletes involved and with many of these athletes representing New Zealand on the national and international stage.

HIGHLIGHTS include **Hamish McLean** representing New Zealand at the IPC World Swimming Champs achieving PB's in all of his events, **Tom Clyma**, **Emma Weith**, **Davina Waddy**, **Phillip Wilson**, **Anna Watson-Taylor** and **Hugo Elworthy** being selected in the NZU21 Rowing team and **Ella Greenslade** representing New Zealand in the U23 Rowing Team at the U23 World Rowing Champs. **Lachie McGregor** representing New Zealand in the Junior NZ Track Cycling Team at Oceania Champs. **Tiarn Colins** and **Zoi Sadowski-Synnott** both placed 1st in their respective events at the Continental cup in July. **Corrah Phillips** was 1st at the Seven Springs Rev Tour in USA, and selected for Junior World in China March 2015. **Duncan Campbell** was 10th in the first World Cup event in March 2015.
