ANNUAL  
REPORT

# Otago Academy of Sport CHAIRMAN'S REPORT 2016

**It is my pleasure to report to all our stakeholders on the activities and financial performance for the Otago Academy of Sport for the year ended 30 June 2016.**

**In the past year we have consolidated the funding and services provided to our athletes under the 'Otago' banner, having left Southland to their own devices last year. This has allowed us to focus on improving support for our Carded and Academy athletes, coaches and service providers. We are very grateful for HPSNZ support along with the ongoing financial contributions from the Otago Community Trust.**

Our manager, Raylene Bates stood down from her role at the end of 2015 after 16 years to focus more on her coaching roles and we welcomed Michael Coutts in February 2016, who has adapted well to the role. Michael and board member Tania Cassidy lead the organising of the South Island Coaches Conference in November 2016, which will now become a biannual event, alternating with a North Island coaches' conference. This follows the lead of the South Island Academy's popular past events of a similar nature.

## PATHWAY TO PODIUM

2015 has seen 25 Year 1 athletes spread throughout the region with 11 Year 2 P2P athletes. The expansion of the talent development programme has seen the programme grow from 15 athletes across the region in 2014 to 35 in 2015.

We acknowledge and appreciate the work of Natalie Fraser and Stacey Peeters, who organise the Pathway to Podium and Academy athletes and service providers Megan Gibbs, Helen Littleworth, Michael Jacobs, Fiona Simpson, Sara Richardson, Yvette Latta, Carol Goodlass, Katharine Eustace, and Carolyn Cruden so all runs smoothly. I'm sure all the athletes appreciate the efforts that go into assisting them in entering the reality of High Performance Sport. Being able to count on local service providers, coaches,

parents and athletes is a real benefit to those athletes who are not quite ready to be moved to the northern "institutes".

## ACADEMY PROGRAMMES

The Talent Accelerator Programme fills a need in the areas of sport development and high performance. We support the local RSO's who do not have the personnel or a critical mass of athletes to justify delivery of their own programmes. Athletes gain the knowledge of what high performance sport is, what is required to become a high performance athlete and how to improve their performance. They are supported by coaches, mentors, other athletes and service providers to help them set and reach their goals. They are also encouraged to be role models and ambassadors for their sport and encouraged to share their knowledge in their sport and in the wider community. It is very satisfying for our Board to see the continuing development of our athletes and the positive contributions they are making to their sports and our local communities.

The graduation ceremonies in Dunedin and Wanaka are well attended by the athletes who are given the opportunity to present their public speaking and cooking skills to their 'proud' family members and the Academy.

## MOTORSPORT ACADEMY

The NZ Elite Motorsport Academy continues to grow from strength to strength, as evidenced later in this report. Congratulations to the participants who

emerged at the head of the competition after the week of activities. We look forward to seeing more names alongside recent graduates of the programme who are enjoying often spectacular performances on the world stage. And we will look to keep enhancing the programme so we can continue to hold it annually in Otago.

## BOARD

Thank you to our Board of Trustees, Tania Cassidy, Michael Sidey, John Brimble, Helen Littleworth and we welcomed this year, Raylene Bates following her resignation from the Academy. We are all encouraged and rewarded by the performance of our athletes, past and present, at the Olympics and Paralympics in Rio de Janeiro. Congratulations to Anna Grimaldi, Rory McSweeney, Holly Robinson, Caitlin Dore, Hamish McLean and Jacob Phillips for their selections to the NZ Paralympics team and to Raylene Bates and Helen Littleworth, both supporting our athletes in Rio. Also Finn Bilous who earlier in the year won the first NZ Winter Youth Games medal in Lillehammer, Norway. Their determination in achieving high performance and their success is rewarding for us all.

# OTAGO PATHWAY TO PODIUM PROGRAMME

**The nationwide Pathway to Podium programme was launched in 2014 to help emerging athletes and coaches to be better prepared for the demands of a life in high performance sport. The objective of the programme is to provide the New Zealand high performance system with an increased number of athletes who understand and are better prepared for the demands of a high performance environment and who have the potential to win on the world stage.**

Otago is one of the larger hubs around the country with 35 athletes across three years competing in Athletics, Snow sports, Rowing, Swimming, Bike, Women's Rugby sevens and Hockey. 17 of these athletes are based in and around Wanaka with the remaining 18 based in the Dunedin area. Due to the large number of athletes based in Central Otago the workshops for the programme are delivered in both Wanaka and Dunedin.

The programme has got off to a fantastic start for 2016 with great attendance at the workshops and Strength and Conditioning sessions, there has also been a high level of athlete engagement. Many of these athletes in the Pathway to Podium programme are currently representing New Zealand on the national and international stage.

"The Academy gave me a lot of exposure to likeminded athletes with similar goals in mind, support staff, facilities, and gave me a better understanding of how to be an elite athlete."

**KANE RUSSELL**  
2016 OLYMPIAN: HOCKEY

This year's programme began in April with the first year athletes from Academy Southland, Academy Otago and Central Otago coming together in Dunedin for a two day camp. The camp is always a highlight of the year for this group of athletes and they were introduced to many new high performance practices. Some of these included self-massage techniques, functional movement patterns, cooking lessons, media skills, mental skills and pool recovery strategies.

The Academy Otago and Central Otago Academy Programmes were launched in Dunedin and Wanaka in May of this year beginning with an Athlete Life workshop to help set the foundations of success.

The programme has got off to a fantastic start for 2016 with high attendance and great engagement from all the athletes involved. Many of the athletes in the Academy programme are currently representing the Otago region or New Zealand on the national and international stage.

MOTORSPORT ACADEMY

NZ Elite Motorsport Academy Camp No 13 was again delivered successfully by the Otago Academy of Sport in July of this year. Congratulations to Jacob Smith for taking out overall honours as top graduate for 2016. Hunter McElrea and Jaxon Evans, picked up second and third placing respectively in what was a very tight decision. Team ‘ANZAC’ won the team award.

Since its inception in 2004, 108 competitors having been through the programme made up of 70 race drivers, 28 rally competitors, six KartSport NZ, one drifter and three co-drivers. Feedback from drivers and the Motorsport New Zealand Scholarship Trust was again very positive and we look forward to Academy Camp Number 14 in 2017.

The programme continues to be fortunate to have a core group of presenters and assistants who have been involved with the programme for some years. The one week long camp is designed to train athletes physically and educate drivers based on their discipline. Strength, endurance, flexibility, heat stress tolerance, reaction time, visual abilities, and muscle balance/posture are the fundamental areas tested. Thank you to the trustees for their continued support of this programme which provides the platform for the young New Zealand drivers to make their mark on the world stage.

It continues to be a thrill for all involved in the programme to see the likes of Academy graduates Jamie Conroy, Earl Bamber, Haydon Paddon, Mitch Evans, Shane Van Gisbergen, Brendon Hartley, and Richie Stanaway, to name a few, making their mark on the international stage in motorsport.
